Executive summary

Dr. Pankaj Shah
Man. Trustee

It's indeed my pleasure and privilege to present before you 18th annual report of our organization Sanjivani Health and Relief Committee.

As you all know, since its inception in 2005, with blessing, & financial support of enlightened and sympathetic donors- corporate partners, business houses, individual donors, our dedicated and committed team of Trustees, Program Executives, Program Coordinators, doctors, volunteers, staff, and respected consulting doctors of various branches our team "Sanjivani Parivar" has progressed seamlessly in all the activities being carried out by our teams.

Our visionary learned Hon. Advisory Board, Donors, Hon. Chartered Accountants, Legal Advisor, Dignitaries from educational field has guided us all throughout our journey of success.

It is our pleasure to take note that our Medical service at Taluka and district level in Govt. setup has improved remarkably. So we have decreased our villages to 150 from 192 of Precovid Era, where we are regularly providing activity which was best of its kind with increasing coverage of villages before Covid Pandemic 2019 has been changed to needed coverage of people, as it is seen that Government Health infrastructure has improved a lot yet people of 150 selected villages are regularly provided medical services with primary focus on NCD (non-communicable diseases) like hypertension, diabetes, heart disease, and kidney diseases in main which have proved to be of immense value in providing early detection and qualified medical care at door step of marginalized and underserved rural population. These services have practically reduced incidences of heart diseases, heart failure stroke (paralysis) and CKD- kidney failures due to early detection and treatment at their door steps.

We are indeed thankful to our corporate partners Viz :-

- Jewelex Foundation- Mumbai.
- A.B.Charitable Foundation Ahmedabad
- LAA pharmaceutical. Ahmedabad.
- Ritz and Medico Pharma-Ahmedabad
- Wagh bakari Foundation Ahmedabad
- IMSPL Group of Companies- Ahmedabad
- Unison Pharmaceuticals
- Jewelex Group of company, middle east,

Named and unnamed donors whose financial support over these years have proved to be backbone to our endeavours.

At our secondary referral centre Sanjivani Health care and dialysis centre also year after year services are on increase. We went on adding various faculty consultant doctors and services and at health care centre average number of patients is touching around 200/day, and in same way our generic medical store has proved useful with nearly 100 beneficiaries to get highly discounted medicines.

Our **Smt. Chandraben Piyushbhai Kothari** → **Sanjivani dialysis centre** is also performing well with nearly 4000 dialysis procedures till July 2023. Since nov-22 when we got empanelled with PMJAY - we had provided free dialysis services to 2350 patients & even after that those unfortunate patients who are not eligible under PMJAY are provided free dialysis or at just token amount per procedure charge without any hidden cost of investigations and supplies, with high protein snacks.

Similarly, we have added advanced diagnostic tools, machineries like :-

- OPG machine with financial support from **Nagar Chashmaghar Group in Memory of Shri Jayantibhai A.Patel.**
- High Tech machines in our laboratory, latest sonography machine with facility of vascular doppler, breast- elastography, & fibro scan of liver etc.

- Recently on 29-7-23 we started **Sanjivani Ophthalmic (Eye) surgery operation theatre** to offer stitch less, phaco emulsification cataract surgery, with best quality Indian foldable lens at most affordable rates.

Education activity :-

Through our Padmavati Education Trust, since 2014—we have been focusing on quality education enriched with latest technology without financial burden on parents with more thrust on girl's education.

Ever since 2017 with first batch of S.S.C students till March 23, our board results have **been between 85-90%** which itself speaks of efforts of our team.

In **Sanjivani Evening Learning highly Centre (ELC)** classes supported by **Masoom** organization from Mumbai, has also shown promising results amongst dropout students and have been a milestone in career development of students who were not fortunate, to study further beyond std 8 and are involved in other day time jobs.

Women Empowerment Centre :- under these project various Classes like beauty parlour, mahendi design, tailoring and computer education and free yoga classes for women are also progressing well.

Sanjivani Oxygen Bank with more than 56 oxygen concentrator machines even in post Covid Era is also proving very useful for patients with severe lung, heart and kidney diseases.

Sanitary Napkin Project :- it has been proved beyond doubt that if menstrual hygiene is well taken care of many chronic illness including decrease in infertility, can be reduced effectively.

We are procuring machine made good quality sanitary pads and distributing them in more than 158 villages around Ahmedabad.

We are delighted to share with you. That our Hon. vice President Dr. Ramesh I. Patel has been selected as Hon. Vice. President of prestigious body of Ahmedabad Medical Association with more than 13,000 Life Members. Also he has been awarded trophy and certificate of appreciation by A.M.A. under their "Aao Gaon Chale Project".

At the end I conclude with sincere thanks to whole "donor community doctors, volunteers and staff for their tireless-endless support for "Sanjivani" to continue to occupy a reputed place in field of Health care and Education.

In our journey of 18 yrs we have lost many of our doctors, trustees and volunteer including recent demise of our trustee Dr. Ramesh. N. Patel and pray Almighty God to bless their soul with peace and give them heavenly abode.

As you all know a small initiative of providing primary medical care to rural population of flood devastated villages of Kheda district in 2005, has now been established as dependable, committed, dedicated NGO.

During the period under review our team has outperformed projected targets in every activity.

Health care :

Rural health care camps :-

As the health infrastructure and availability of medical services in Government Health Setup has improved remarkably we have reduced coverage of certain villages where this is available and contained our services to 150 villages. Daily Six villages are being covered by our medical team in 28-day cycle prescheduled program. Dental and ophthalmic van continued working on every Sunday to organise average 50 camps each by both vans every year. Our tele medicine van donated by Wagh Bakari Foundation Equipped with online ECG facility and mobile pathology laboratory operates in route by route in all 150 villages every 3 month. Please Find below Rural Health Care camp data

Sanitary Napkin Projects :-

Till now more than 26 lakh pads of our brand as well as others - have been distributed to rural women who have little access to chemist shop to get them at affordable price.

Sanjivani Eye Surgery Centre :-

Background-Prevalence :-

Cataract is the leading cause of blindness, accounting for 50% of blindness worldwide. Although significant progress has been made toward identifying risk factors for cataract, there is no proven primary prevention or medical treatment. Surgical removal of cataract remains the only therapy.

Factors that increase your risk of cataracts include :

- Increasing age.
- Diabetes.
- Excessive exposure to sunlight.
- Smoking.
- Obesity.
- High blood pressure.

Incidence of cataract :-

Due to the size of the population and a high prevalence of blindness, every fifth blind person lives in India. It has been postulated that the age adjusted prevalence of cataract in India is three times that of the United States.

In the radius of two kilometre of the Sanjivani Healthcare Centre the population is of the lower middle class and low-income group and there is not a single charitable hospital for cataract surgery except only Health and Care Foundation located at Jivrajpark. Looking to the need of cataract surgery patients. On 29-07-23 we inaugurated Sanjivani Eye Operation theatre and from 31-07-23 we started surgeries, Till now (20-08-23) we have successfully done 13 cataract surgeries. Thanks to support from donors that all these patients got benefit of Cataract Surgery with best quality Indian Foldable Lens with stich less Phacoemulsification technique for just Rs.5000/- The opening ceremony was arranged in presence of family members of our young team of Eye Surgeons and one of our valued Donor for this project Smt Kiranben Shah.

Again, thanks to our Following donors for showing trust on our team and providing financial support for this project's Capital Cost.

To increase standard of learning and keep school achieving good student track records, Admission is restricted to eligible in terms of regularity in presence, learning capacity and needy student only. At present in new academic year our strength of students has been 995 for 2023-24. To provide quality education with best technology, we have installed six smart boards with net connectivity in class room. We are sincerely

thankful to following donors to provide us smart boards.

- Nileshbhai P. Kothari (Jewelex Group) - 3 Board.
- JayeshbhaiH. Rao - 1 Board.
- Mrudulaben.Vinodchandra Mehta - 1 Board
- Dr Subodhbhai Shah (usa) - 1 Board

This technology has proved as best tool for teachers and students as well. During period three teachers training sessions were arranged for motivational and learning up dation. Monthly Evaluation of teachers who use this technology and available resources in best way is done and are awarded.

Ever since 2017 std. 10 SSC Board result of our school has always been between 85-90%. This year all four toppers of our school have been girls, which is again a mile stone in our mission to educable girls.

In following tables pl find student details, including Free ship & Scholarship :-

We have Higher Education Scholarship programme where our school student who are studying further starting with 11th std, are provided 80% fees to help them economically for any higher study.

As we have done earlier this year in 2022-23 also we have provided one pair of Uniform, Festival T-Shirt, Shoes and socks to all new students. We are sincerely thankful to Shri Nileshbhai Kothari of Jewelex India for providing ongoing financial support for this activity year after year.

Mid-Day Snacks Project.

We are highly thankful to **Ami Life Sciences Pvt. Ltd. Vadodara** for providing on-going financial support for this project for all students. Students are getting nutritious high protein snacks freshly prepared in school itself.

Various festivals are being celebrated in school providing knowledge about our cultural, spiritual values like, Rakshabandhan, Janmastmi, Diwali, Christmas, Kite Flying, Republic Day and Independence Day. On 15th August 2023 we had Shri Paras Desai Director of Wagh Bakri Company as chief Guest and Shri Dr Pankaj M Shah-renowned Oncologist and president of Sadvichar Parivar as Guest of Honour. Our Other Dignitaries were from field of Art like Drama, Gujarati Films and Writer and Producer of Films Shri Ramesh Karolkar and Smt Dhruvika Katchwala.

Recently with support of Riya Auto Link(Tata Motors) B4U Electric scootes and Bike Dealer Ahmedabad,70 needy students of our school were given a pair of festival Kurta - pajama as donation.

Regular parents meeting and daily communication with parents regarding homework, child's progress, good message has been done through WhatsApp to increase involvement of parents in child's development.

For weak students of std.1 to 4 again we have restarted **Sanjivani Sankar Dham** - free tuition classes of 2 hours to make them capable to read, write, speak and count; so that their further study becomes easier.

Evening learning centre project (ELCMasoom)

With the support of MASOOM organization Mumbai our Sanjivani ELC centre is also doing good job for underprivileged students who had left studies due to any reason.
